

GENOSYS SKIN REBOOT PDRN MASK PACK

SKIN REBOOT PDRN MASK PACK

Concept

GENOSYS SKIN REBOOT PDRN MASK PACK is a bulk-format sheet mask designed to restore weakened skin, deliver intense nourishment, and gives your skin the ultimate reboot with enriched regenerating ingredients - PRDN and panthenol.

NET WT. 350g (30ea)

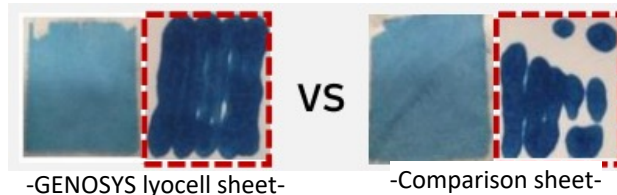

- Ultra-slim fit sheet adheres seamlessly to the skin for effective delivery of active ingredients.
- Contains 30 sheets per container; tissue-style packaging allows for convenient one-by-one dispensing.
- Clinical results: Helps restore the skin barrier damaged by physical irritation.

SKIN REBOOT PDRN MASK PACK

Ultra-Thin Lyocell Sheet

- Strong skin adherence: The uniform fiber distribution increases skin contact area, enhancing adhesion and delivering more essence effectively to the skin.

[Uniformity Test After Fiber Impregnation]

- Exceptional transparency
- Soft and gentle texture
- Excellent breathability

Formulation Highlights

- A dual-effect formula featuring PDRN extracted from salmon milt, barrier-strengthening panthenol, and naturally derived ceramides. It has a watery, lightweight texture that absorbs effortlessly, yet fills the skin from within with firm, dense hydration — soft on the outside, resilient on the inside.

SKIN REBOOT PDRN MASK PACK

Mechanism

STEP 01. Cooling & Calming

A gentle cooling mechanism powered **by xylitol without menthol or alcohol**
The ultra-thin sheet adheres seamlessly to every contour of the skin, delivering rapid calming effects

STEP 02. Barrier-Strengthening

Triple barrier complex of high-content panthenol, ceramide, and allantoin
Not simple hydration, but targeted care to repair and strengthen weakened skin.

STEP 03. Anti-Aging

Enriched **with PDRN** extracted from salmon DNA, **collagen, and elastin**
Advanced anti-aging care with clinically proven ingredients

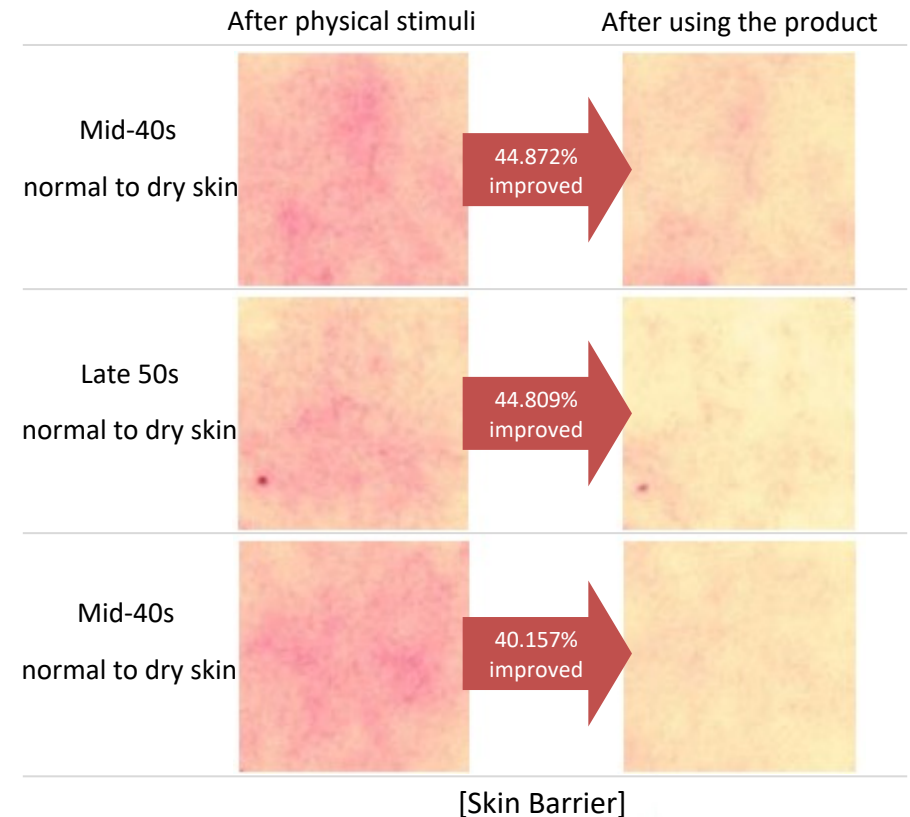

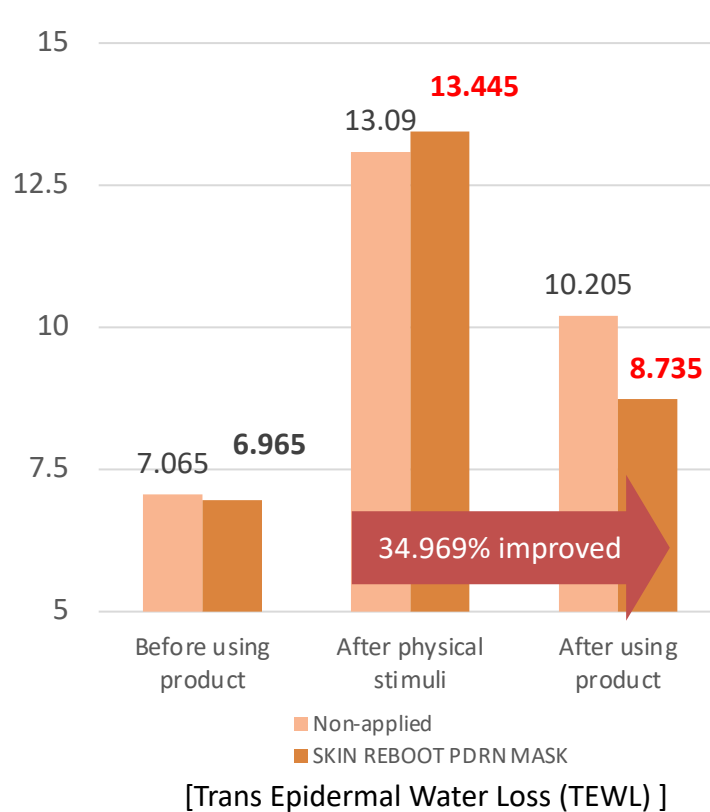

SKIN REBOOT

SKIN REBOOT PDRN MASK PACK

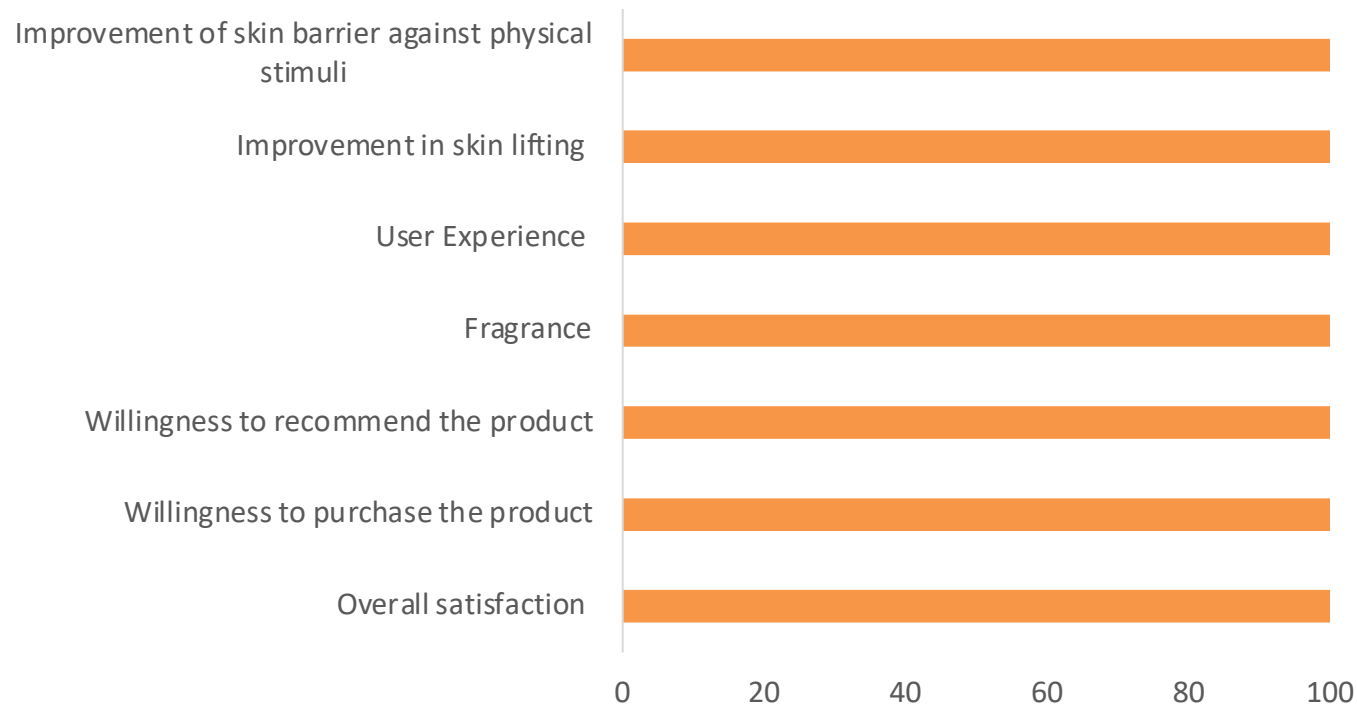

Clinical Trial – Improvement of Skin Barrier Against External Stimuli

➤ A lower Trans Epidermal Water Loss (TEWL) value indicates improved skin barrier function against physical irritation.

SKIN REBOOT PDRN MASK PACK

Product Satisfaction Survey

Clinical study on skin barrier improvement against external stimuli, P&K Skin Research Center, May 2 2025, 20 women aged 20~60

SKIN REBOOT PDRN MASK PACK

How to Use

1. Take out one sheet mask with the built-in tweezers.
2. Apply the mask closely to the face for 10-15 minutes.
3. Remove the mask sheet and gently pat the remaining essence into your skin.

*After use, make sure to close the closure seal and the cap tightly to prevent the product from drying out.

GENOSYS SKIN REBOOST PDRN MASK PACK

KEY INGREDIENTS

SKIN REBOOT PDRN MASK PACK

Key Ingredients

PDRN (Sodium DNA)

Panthenol

Ceramide

Allantoin

Phytosphingosine

**Barrier
Strengthening**

PDRN (Sodium DNA)

Collagen

Elastin

Adenosine

Niacinamide

Anti-aging

Sheer Butter

Mentha Rotundifolia Leaf Extract

Camellia Sinensis Leaf Extract

Thymus Vulgaris (Thyme) Leaf Extract

**Soothing &
Moisturizing**

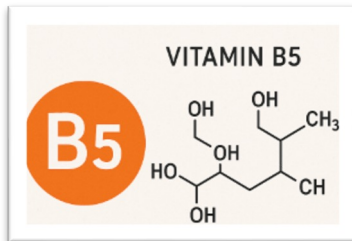

SKIN REBOOT PDRN MASK PACK

PDRN (Sodium DNA)

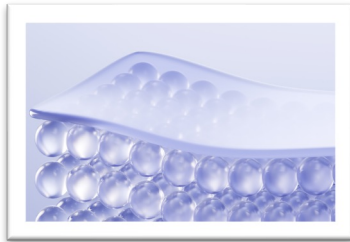

- Salmon-derived DNA (95% similarity to human DNA)
- Promotes the release of anti-inflammatory cytokines to help soothe damaged skin
- Accelerates cell turnover for visible anti-aging effects
- Supports collagen and elastin synthesis
- Strengthens the skin barrier and protects against external aggressors

Panthenol (Vitamin B5)

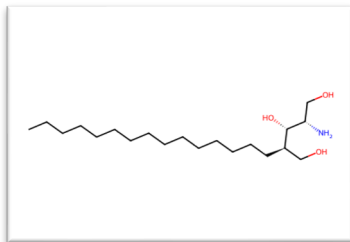

- Contains pantothenic acid, known for its strong water-binding capacity and high skin permeability
→ Enhances skin barrier by delivering deep hydration
- Helps protect the skin from external stressors
- Provides anti-inflammatory and soothing effects

Ceramide

- A key lipid component accounting for approximately 50% of intercellular lipids in the skin
- Reinforces skin barrier
 - Helps maintain skin homeostasis and prevent transepidermal water loss (TEWL)
- Forms a protective shield against external irritants

Phytosphingosine

- Acts as a precursor to ceramides, promoting ceramide synthesis in the skin
→ Strengthens the skin barrier to prevent moisture loss and maintain skin homeostasis.
- Provides anti-inflammatory and soothing benefits

SKIN REBOOT PDRN MASK PACK

Shea Butter

- Skin-friendly, plant-derived emollient
- Rich in triglycerides and fatty acids for intense moisturization
- Contains vitamins A, E and F, providing antioxidant protection

Green Leaf Complex

- Camellia Sinensis Leaf Extract: Flavonoids and polyphenols → offers antioxidant and anti-inflammatory effects
- Mentha Rotundifolia Leaf Extract: Menthol → known to help relieve discomfort and soothe the skin
- Thyme Leaf Extract: thymol and carvacrol → provides natural antibacterial and soothing properties

Thank You
